Transfer of Corridor Certificate & Route Permit  
Siting Application**

**Case No. PU-13-734**

**NOTICE OF OPPORTUNITY FOR HEARING**

**August 21, 2013**

On January 16, 2013, in Case No. PU-12-775, the Commission issued Certificate of Corridor Compatibility No. 141 and Route Permit No. 154 to Basin Transload, LLC for the construction of approximately 7 miles of 10-inch diameter pipeline beginning at Tesoro's High Plains Pipeline in Section 34, Township 163 North, Range 92 West, and extending generally westward to a storage facility in Section 3, Township 162 North, Range 93 West, near Columbus, North Dakota. The entire pipeline is located in Burke County.

On August 9, 2013, Basin Transload, LLC (Basin Transload) and Tesoro High Plains Pipeline, LLC (Tesoro) submitted a joint application for the transfer of Certificate of Corridor Compatibility Number 141 and Route Permit Number 154 to Tesoro, Case No. PU-13-734.

The issues to be considered in Case No. PU-13-734 are whether Tesoro agrees and is able to comply with the terms and conditions of the corridor certificate and the route permit issued to Basin Transload and whether the requested transfer is compatible with the public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by September 24, 2013.** If deemed appropriate, the Commission can determine the matter without a hearing.
