Transfer - Certificate #131 & Permit #140  
Siting Application

Case No. PU-13-737

NOTICE OF OPPORTUNITY FOR HEARING

September 11, 2013

On April 11, 2012, in Case No. PU-11-683, the Commission issued Certificate of Corridor Compatibility No. 131 and Route Permit No. 140 to ONEOK Rockies Midstream, LLC for the construction of approximately 13 miles of 10.75-inch diameter pipeline in Williams County, North Dakota to transport natural gas from the tailgate of the Stateline 1 and 2 Gas Processing Plants near Williston, North Dakota to a point on the North Dakota and Montana border and then to the Riverview Rail Terminal in Richland County, Montana.

On August 12, 2013, ONEOK Rockies Midstream, LLC (ORM) and ONEOK Bakken Pipeline, LLC (OBP) submitted a joint application for the transfer of Certificate of Corridor Compatibility Number 131 and Route Permit Number 140 to OBP, Case No. PU-13-737.

The issues to be considered in Case No. PU-13-737 are whether OBP agrees and is able to comply with the terms and conditions of the corridor certificate and the route permit issued to ORM and whether the requested transfer is compatible with the public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by October 15, 2013.** If deemed appropriate, the Commission can determine the matter without a hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify the Commission.
