Dear Mr. Nitschke:

In re: FPL Energy North Dakota Wind II, LLC
Wind Turbine Decommissioning Investigation
Case No. PU-13-795

Enclosed for filing in the above case is FPL Energy North Dakota Wind II, LLC's Commitment Letter, along with a notarized incumbency certificate. This Commitment Letter is being submitted pursuant to the Public Service Commission's ("Commission") Order on Financial Assurance dated September 2, 2014.

Over the past several months, FPL has been in discussion with Commission staff with respect to the form of a corporate guarantee to be provided by NextEra Energy Capital Holdings, Inc. (NEECH). These discussions included FPL submitting a form of corporate guarantee for consideration, and Commission staff indicating the intent to adopt a standard form of corporate guarantee for use in wind farm decommissioning. To date, such a standard form has not been adopted.

Further discussions between FPL and Commission staff led to the preparation of this Commitment Letter to serve as a placeholder, as indicative of FPL's working with staff on this matter and the intent to submit a corporate guarantee in the near future.

Please call should you have any questions.

Very truly yours,

Brian R. Bjella

Mr. Nitschke:

In re: FPL Energy North Dakota Wind II, LLC
Case No. PU-13-795
Commitment Letter

FPL Energy North Dakota Wind II, LLC ("**FPL Energy II**"), a Delaware limited liability company, has advised its indirect parent company NextEra Energy Capital Holdings, Inc. ("**NEECH**"), a Florida corporation, that FPL Energy II is required pursuant to the Order on Financial Assurance (the "**Order**") issued by the North Dakota Public Service Commission (the "**Commission**") on September 2, 2014, to file for Commission approval of financial assurance from NEECH in the amount of at least \$1.16 million by December 5, 2014 in connection with the future decommissioning of FPL Energy II's Edgeley II wind energy project. Commission Staff has advised FPL Energy II that staff believes a Commitment Letter from NEECH, followed by a NEECH guaranty (or other credit support acceptable to the Commission) to be issued on behalf of the Commission no later than March 31, 2015, will satisfy the requirements of the Order. This letter constitutes said Commitment Letter and the undersigned is authorized in his capacity as Assistant Treasurer to execute this letter on behalf of NEECH.

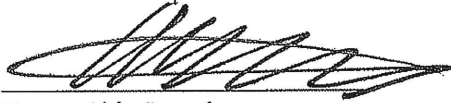

NEECH is a wholly-owned subsidiary of NextEra Energy, Inc., ("**NextEra**"), a Florida corporation, and holds ownership interests in and provides funding for NextEra's operating subsidiaries other than Florida Power & Light Company, its rate regulated electric utility. NEECH has demonstrated ready access to the capital markets and is currently rated Baa1/BBB+/A- on a senior unsecured basis from Moody's, Standard & Poor's and Fitch, respectively. Consistent with the Order, FPL Energy II is reporting with this letter and shall report to the Commission NEECH's bond issuance ratings on an annual basis, and within 90 days after any updates to the ratings.

Upon NEECH obtaining all required corporate approvals, NEECH will provide credit support (directly or indirectly) as may be required under the circumstances consistent with FPL Energy II's 2014 decommissioning cost estimate of \$1.16 million.

Please feel free to contact the writer should you have any further questions in this regard.

Yours sincerely,

NEXTERA ENERGY CAPITAL HOLDINGS, INC.
