RE: Dakota Prairie Refinery Petroleum Product Pipelines Post Construction Report,
Case No. PU-13-799

On December 30, 2013, the North Dakota Public Service Commission granted Dakota Prairie Refining, LLC (Dakota Prairie) and Lario Shipping, LLC (Lario) approval to construct two petroleum product pipelines between Dakota Prairie and the Lairo rail hub in Stark County, North Dakota.

The Commission Order can be found at:

<http://www.psc.nd.gov/database/documents/13-0799/031-050.pdf>

The Commission retained a third-party vendor to conduct construction inspections on this project. The construction inspection report can be found at:

<http://www.psc.nd.gov/database/documents/13-0799/067-020.pdf>.

The construction inspection report lists the following actions for follow-up and information that should be provided by the Company to confirm compliance with the Commission Order:

- The Company should provide as built engineering drawings and associated GIS files within 3 months after construction is complete. (Certification to Order Provision No. 30)
- The Company should provide a 10 year plan. (ND Admin. Rules § 69-06-02)

Please forward your response to the recommended Company actions, confirming these activities are complete, and describe actions and timelines for activities that are not complete. Please provide this documentation within 30 days.

If you have any questions regarding this letter, please contact me at 701-328-4077.
