Dakota Prairie Refining, LLC
Two Petroleum Product Pipelines - Stark County**

The Commission's December 30, 2013, Findings of Fact, Conclusions of Law and Order in Case No. PU-13-799 issued Certificate of Corridor Compatibility No. 151 and Route Permit Nos. 162 and 163 to Dakota Prairie Refining, LLC and Lario Shipping, LLC for the location of an 8-inch pipeline and a 6-inch pipeline between the Dakota Prairie Refinery and the Lario Shipping rail hub in Stark County, North Dakota.

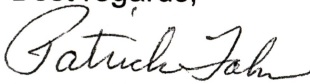

The Commission's June 10, 2020, Order in Case No. PU-20-165 reissued Certificate of Corridor Compatibility No. 151 and Route Permit Nos. 162 and 163 to Dakota Prairie Refining, LLC.

As-built GIS data

Paragraph 30 of the Certification Relating to Order Provisions, attached to and made part of the December 30, 2013, Order, requires that the Company provide the Commission an electronic version of the approved corridor and an electronic version of the as-built facility design specifications within 3 months of the completion of the construction. It appears the Company has not filed this GIS mapping data and is in noncompliance of the Commission's Order.

Staff requests the GIS data be filed with the Public Service Commission by February 25, 2022, to avoid further action due to noncompliance.
