RE: Case GS-13-802

Mr. Morman,

Selland Construction contests the penalty outlined in the Public Service Commission's email dated March 14, 2014.

Selland request's a hearing with the Commission to explain our case.

Selland was the Contractor and Owner of the line at the time in question. The gas line was not fully installed yet and shouldn't be treated as such.

Please feel free to contact me so I can answer any questions you may have.

Sincerely,

Jason Gaul
