RE: Response to MDU's Compliance Filing
Case No. PU-13-803

On April 14, 2014, Montana-Dakota Utilities Co. (MDU) filed gas tariffs and supporting work papers in compliance with the commission's rate design Order dated April 9, 2014. Staff has reviewed the filing to ensure that the new tariffs will increase revenues by \$4.25 million as ordered by the commission on December 30, 2013. Staff has also reviewed the language revisions to the tariffs as well as the corrections filed by MDU on April 22 and 24, 2014.

Staff believes that MDU's filing complies with the commission's orders and recommends approval of the tariffs.
