**Subject:** Gas Pipeline Safety grant application

Mr. Burgum,  
Please assign a State Application Identifier (SAI) number for the 2012 gas pipeline safety grant application. The grant application is in the amount of approximately \$220,000 for the period 1/1/14 through 12/31/14. This is a 50/50 grant so the state will receive approximately \$110,000 in federal reimbursement.

The PSC department number is 408.  
The PSC zip code is 58505-0480  
The CFDA # is 20.700

The application is subject to your review and the application asks for the date of your review. That date will be the date I complete the application, including the form 424, and email a copy to you.
