Re: Request to Withdraw Petition for Waiver of Numbering Resource Requirements for Integra Telecom of North Dakota, Inc.; Case No. PU-13-822

Dear Mr. Nitschke:

On October 2, 2013, Integra Telecom of North Dakota, Inc. ("Integra") filed a petition for an expedited waiver of the Pooling Growth Guidelines (the "Petition"). Integra subsequently determined that it could engineer its switches such that the additional numbering resources would not be required. Therefore, Integra respectfully requests that the North Dakota Public Service Commission ("Commission") permit Integra to withdraw its Petition. Enclosed for filing with the Commission is an original plus seven (7) copies of this letter request; this letter has also been filed with the Commission via electronic mail.

Thank you for your assistance in this matter. If you have any questions or concerns, please contact:
