Also on October 4, 2013, BOE filed an application for waivers of procedures and time schedules established under North Dakota Century Code Chapter 49-22-07.2 and North Dakota Administrative Code Chapter 69-06-06 including:

- Procedures that require separate filings of applications for a certificate of corridor compatibility and a route permit,
- Procedures that require separate notices of such applications, and

1. Will the location, construction and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?

2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
