Hi John,

Great question. First, I hope you saw the request was from me and not Victor.

Second, thank you for your attention to detail. The case has been opened since 2013. The request was sent in 2013. Due to a lack of response on the part of Mariner, Staff is closing this case.

Please docket this email in the file under closure comments.

Victor,

Before I close this case as requested, the most recent docket entry is Email Request to Mariner for Additional Information but I do not see a response to that request.

Shouldn't there be a response docketed before I should close this case?

John
