Good Afternoon Brent

We received your request, dated June 24, 2013, for a metrology recertification extension due to scheduling with the Minnesota metrology lab.

Under North Dakota Administrative Code Section 69-10-03-02, the Commission may extend the twelve-month recertification interval to fifteen months.

Based on your request, I am extending the recertification for your standards from July 28, 2013 to September 28, 2013.
