Re: *Robinson Lake Gas Plant; PSC Case No. PU-13-35*

Dear Ms. Jeffcoat-Sacco:

Since this matter has been concluded, this will end our representation of the ND Public Service Commission on this Robinson Lake Gas Plant PSC Case No. PU-13-35 matter at this time. If additional work is required, we can easily reopen the file. Hopefully that will not occur.

It is the practice of this law firm to destroy files seven years after closing the file. Unless we receive direction from you to the contrary within 30 days of the date of this letter, we will assume that you do not object to this action.

Thank you for allowing our firm to be of service to you. We hope you will consider continuing to use our firm for future legal services.

Very truly yours,

PEARCE & DURICK
