PLANNING & ZONING COMMISSION**

Exhibit 4

APPLICATION FOR VARIANCE

Name: Big Stone South to Ellendale Transmission Line Project FEES \$ _____
RECEIPT # _____ PAID: YES NO
DATE May 21, 2015 TIME 1:30 p.m.

TO: ELLENDALE TOWNSHIP PLANNING & ZONING COMMISSION

THE UNDERSIGNED DO HEREBY REQUEST: A variance on the setback requirements for the location of the following transmission line structures

- * • Structure 8 would be placed about 183 feet north of 98th Street SE and about 150 feet from the edge of the 98th Street SE right-of-way in T129, R63, Section 10
- * • Structure 13 would be placed 106 feet south of 99th Street SE and about 73 feet from the edge of the 99th Street SE right-of-way in T129, R63, Section 22
- Structure 26 would be placed about 80 feet east of 90th Avenue SE and about 47 feet from the edge of the 90th Avenue SE right-of-way in T129, R62, Section 19
 - Note that Structure 26 is located in Van Meter Township, however 90th Avenue SE is the township boundary and maintenance costs are paid by both Ellendale and Van Meter townships therefore we wanted to let both townships know of the setback variance.

LEGAL DESCRIPTION OF PROPERTY: As indicated above for the specific structure
