DIC-TWP-07	Van Meter	129	62	20	45° 57' 57.089" N	98° 28' 31.210" W
DIC-TWP-08	Van Meter	129	62	29	45° 57' 4.948" N	98° 28' 31.993" W

INSTALLATION AND MAINTENANCE: Installation and maintenance of said facilities on County right-of-way shall be subject to the following terms and conditions:

1. Minimum crossing height shall be NO less than 20 feet over the center of the road crossed.
2. Construction, operation, maintenance, reconstruction, or removal of said facilities within the County and/or Township right-of-way shall be completed in a manner satisfactory to, and subject to supervision by, the County Road Superintendent and/or Township Supervisors. Applicant will be responsible for the ONE CALL permits as well as applicable Historical and Environmental permits or studies if required.
3. Upon completion of construction, operation, maintenance, relocation, or removal of said facilities, Applicant and or their assignee, is responsible for restoration of any and all damages to Township and or County right-of-way as directed by the County Commissioners/Township Board, or pay for restoration to be completed by the County or their designated representative.

- 4. Dickey County and or Township shall not be liable for damage to said facilities resulting from the use of, reconstruction or maintenance of the impacted right-of-way.
- 5. The Applicant and or their assignee shall hold Dickey County and or Township harmless for injury to persons or damage to property resulting from the activities conducted by the Applicant in crossing any existing road or section line.

I, the undersigned, being an authorized agent of the "Applicant", described in the above, do hereby agree on behalf of the said Utility Company that all terms and conditions above will be complied with, and any assignment of this overhead transmission facility described above shall include an assignment of this liability to comply with the terms and conditions as stated herein.
