RE: Revision of Decommissioning Plan for Rugby Wind Facility, Pierce County, North Dakota
submitted October 1, 2019

Dear Mr. Kahl:

There are 2 corrections to the Rugby Wind, LLC Wind Project Decommissioning Plan submitted yesterday October 1, 2019 by Avangrid Renewables.

On page 3, the 10th bullet point should read "Remove access road and surfacing (gravel)". The words "where required" have been removed.

On page 6, Section 2.7, first sentence of the second paragraph should read "Rugby Wind will remove all access roads unless an affected landowner request otherwise and such request is approved by the commission."

Please contact me at 503-796-7162, or Peter.Landoni@Avangrid.com should you have any questions with respect to this filing.

Sincerely,

A handwritten signature in blue ink that reads "Peter J. Landoni".
