Re: North Dakota Pipeline Company LLC  
24-inch Crude Oil Pipeline - Sandpiper Pipeline Project  
Siting Application  
Case No. PU-13-848

Dear Mr. Nitschke:

On June 25, 2014, the North Dakota Public Service Commission issued Findings of Fact, Conclusions of Law, and Order ("Order") granting Certificate of Corridor Compatibility Number 153 and Route Permit Number 165 to North Dakota Pipeline Company LLC ("NDPL") for the Sandpiper Pipeline Project ("Project"). Since issuance of the Order, NDPL has determined two route adjustments over 1.5 miles in length outside the designated corridor are necessary for the Project to avoid U.S. Fish and Wildlife Service wetland easement basins and a Wetland Reserve Program easement acquired by the Natural Resource Conservation Service, U.S. Department of Agriculture. One route adjustment is in Towner County, and the other is in Nelson County.

Therefore, pursuant to North Dakota Administrative Code ("N.D.A.C.") § 69-06-05-02(3), and North Dakota Century Code § 49-22-07.2 and N.D.A.C. Ch. 69-06-06, respectively, enclosed please find the original and seven copies of the following documents:

1. NDPL's Route and Corridor Adjustment Request;
2. Affidavit of David Hodek, and accompanying Exhibits (the original executed Affidavit will be provided under separate cover);
3. Application for Waiver of Procedures and Time Schedules;
4. Black and white maps for publication; and
5. Affidavit of Service.

Electronic versions of this letter and the above-referenced documents were filed today with the Commission via e-mail. By copy of this letter, the enclosed documents are being served on the auditors for Towner and Nelson counties.
