Re: Case No. PU-13-848
North Dakota Pipeline Company, LLC
24-Inch Crude Oil Pipeline – Sandpiper Project
Siting Application

The Commission's June 25, 2014, Findings of Fact, Conclusions of Law and Order issued Certificate of Site Compatibility No. 153 and Route Permit No. 165 to North Dakota Pipeline Company LLC (fka Enbridge Pipelines (North Dakota) LLC) for 300 miles of 24-inch diameter crude oil pipeline in Williams, Mountrail, Ward, McHenry, Pierce, Towner, Ramsey, Nelson, and Grand Forks Counties in North Dakota. Partial construction of three terminals is the Project's current status.

At its regular meeting on September 22, 2021, the Commission adopted an Order on Tree and Shrub Mitigation Specifications in Case No. PU-13-848. The Order amends the Commission's June 25, 2014, Order in Case No. PU-13-848 by replacing the Tree and Shrub Mitigation Specifications with an updated version of the Specifications. A copy of the Commission Motion, and Order on Tree and Shrub Mitigation Specifications is enclosed.

Best Regards,

Patrick Fah
Director, Public Utilities Division
