

Commissioner Brian P. Kalk

Professional Degrees:

Doctor of Philosophy (PhD) in Natural Resource Management; North Dakota State University
(Dec, 2006)

Master of Science (MS) in Environmental Engineering; North Dakota State University (May,
2001)

Professional Publications:

Doctoral Dissertation; August 2006.

Masters Thesis; April 2001.

Coursework:

Hydrology (GEOL696)
Fluid Mechanics (CE309)
Water Quality Management (CE678)
Water Reuse Analysis (Soil793)
Water Resources and Supply (CE408)
Water & Wastewater Engineering CE410
Soil & Waste Disposal (SOIL680)
Solid Waste Management (CE672)
Soil and the Environment (SOIL610)
Air Pollution (CE673)
Hazardous Waste Site Remediation (CE770)
Engineering Economy (IME640)
Environmental Compliance (NRM794)
Endangered Species (NRM793)
Applied Statistics (STAT725)
Environmental Policy (POLS696)
Field Experience (SOIL795)
Information Resource Management (MIS770)
Practicum Teaching (SOIL794)
