Judge Mann-

On behalf of Coyote Creek Mine, I requested from other counsel an extension of time of four days to file our proposed order and brief. My request to them is set forth below. As it now stands, our proposed order and brief would be due March 16, so the extension would be to March 20. Counsel for Mr. Voigt and for the PSC have indicated they have no objection.

Thus, on behalf of Coyote Creek Mine, I request an extension until Friday March 20 to file our proposed order and brief. Thank you for consideration of this request.

Illona & Derrick-

I too need to request permission for an extension of time, which would be for the Coyote Creek Mine's brief and proposed order. Pursuant to Judge Mann's recent email, Mr. Voigt has until this Friday March 6 to file his proposed order and brief. Thus it appears that Coyote Creek Mine's would be due March 16, being 10 days thereafter.

My wife and I scheduled a family vacation about six months ago with our daughter, son in law and grandson for March 8-15 in Arizona. I would very much like to go.

I would like to have an extension of four days until Friday March 20 to file Coyote Creek Mine's proposed order and brief. Would this be acceptable? Thanks.

Brian
