Ms. Erck,

As requested in your e-mail message below, attached please find the brief of Appellant Casey Voigt with the corrections you have requested. Additionally, the following link contains the Appendix of Appellant Casey Voigt with the corrections you have requested.

Appendix: <https://app.box.com/s/l4he4lvzvu5526yogayjih520ex9fpqn>

All parties have been copied on this message, and a new Certificate of Service is attached. You had three additional questions which I will respond to directly in this email.

1. You asked whether certain pages were intentionally left blank. Yes, certain pages were intentionally left blank, and we have marked those pages in the appendix as requested.
2. You asked whether page 0378 should be in color. Yes, we request that page 0378 be printed in color for ease of use and legibility. It has been re-oriented to vertical, as requested.
3. You inquired about payment of the fees. We are mailing you payment in the amount of \$178.50 today (\$25 e-filing fee and \$153.50 for filing a 407 page appendix), and I expect your office will receive that payment tomorrow or Thursday.

I trust that this addresses each of the items in your e-mail below. Please let me know if you need anything further.

Sincerely,
JJ England

RE: Voigt v. N.D. Public Service Commission, et al.
Supreme Court No. 20160046
Burleigh Co. No. 2015-CV-01056

This will acknowledge receipt of the electronically filed Appellant's Brief and Appendix in the above matter. These were filed April 5, 2016. I trust the \$25 e-filing surcharge for your brief is being forwarded. I note your appendix is 402 pages. I trust an additional \$151 is being forwarded for your appendix for a total e-filing surcharge owed of \$176.00.

I note your table of contents in your brief references page numbers. Under the amendments to N.D.R.App.P. 32(a)(7), effective October 1, 2014, all briefs must be paragraph numbered. Reference to material in such documents must be to paragraph number, not page number. **Please correct your table of contents to reference paragraph numbers.**

I note your Appendix does not conform to Rule 32 of the North Dakota Rules of Appellate Procedure which states that all pages should be numbered at the bottom, either centered or at the right side. Additionally, it appears that some of the pages are covered by the gray edge of the page making them illegible. **Please correct the page numbering of your appendix to be either at the bottom center or the right side and insure that all page numbers are legible.**

I note the notice of appeal and specifications of error, amended notice of appeal and specifications of error to the district court, the district court judgment dated January 28, 2016, and the notice of appeal to the Supreme Court have not been included in your appendix. Please refer to Rule 30 of the North Dakota Rules of Appellate Procedure which sets forth what is to be included in the Appendix. As I understand Rule 30, these documents

are required. **In this instance, you may include these documents at the end of your appendix, page numbered appropriately and update the table of contents to reflect their inclusion.**

I note that pages 40, 76, and 119 of your appendix are blank. Please advise if these pages have been intentionally left blank or if something is missing. In the event that it has been intentionally left blank, please indicate on each page that it has been intentionally left blank.

It appears that page 378 is scanned horizontally and is in color. It is our office policy to have all documents scanned vertically, as portions of the page will be cut off when printed if it is scanned horizontally. **Please scan page 378 vertically and advise if you wish this page to be printed in color or if black and white is sufficient.**

Please make the required corrections to your brief and appendix and forward an electronic copy of the brief and appendix in their entirety along with proof of service of the corrections on the other parties as soon as possible but at the latest by April 13, 2016. No other substantive changes may be made to the brief and appendix. There is no need to put amended or corrected on the brief and appendix.

Lastly, for future filings, Under N.D.R.App.P. 30(d) governing the appendix to the briefs, the docket sheet of the lower court must immediately follow the table of contents. The remainder of the appendix must be arranged in the same order as the docket entries. I call this to your attention for future filings with this Court.

The Appellees' Brief will be due thirty (30) days following service of the Appellant's Brief. This matter will be placed on an appropriate calendar of the Court when the Appellees' Brief has been received or when the time for filing such brief has expired.

Attached is a copy of the Supplemental Clerk's Certificate of Electronic Record dated March 29, 2016, which was received and filed in this office March 30, 2016. Also attached is a copy of the Amended Supplemental Clerk's Certificate of Electronic Record dated March 29, 2016, which was received and filed in this office March 30, 2016.

If record items were not forwarded to this Court by the district court, it is the parties' responsibility to ensure those items are forwarded to this Court if they wish them to be available for review by the Justices.

Sincerely yours,

Sarah Erck
Deputy Clerk
North Dakota Supreme Court
