**TO: APPELLANT, CAPITAL ELECTRIC COOPERATIVE, INC. and its attorney Matthew H. Olson, PRINGLE & HERIGSTAD, P.C., 2525 Elk Drive, P.O. Box 1000, Minot, ND 58702-1000**

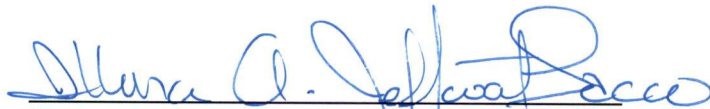

Under North Dakota Century Code Section 28-32-44(2), when a Public Service Commission decision is appealed, the Public Service Commission shall notify the appellant of the estimated costs of preparing and filing the record. The appellant must then pay the Public Service Commission the amount estimated. If the actual costs are more than the estimated costs, the appellant must pay the difference. If the actual costs are less than the estimated costs, the Public Service Commission will refund the difference.

**PLEASE TAKE NOTICE** that because the existing record will be provided in an electronic format, there will be no costs for preparing and filing the existing record.

However, since there is only an electronic copy of the hearing and oral argument record available in the Public Service Commission's docket, and counsel for the Public Service Commission has been informed that the appellant requests a written transcript of both the hearing and the oral argument, the electronic record must be transcribed by a private transcription service.

The estimate the Public Service Commission has obtained from a private transcription service to transcribe the two proceedings, for one original transcript and one copy, is two thousand forty dollars (\$2,040.00). Further, the parties are advised that the transcription service cannot undertake this project until mid-November.
