Subject: Transcript filed in Supreme Court Case No 20150227 (Burleigh County No. 2014-CV-02349)
Attachments: ND PSC/Menard Inc. transcripts; ND PSC/Menard Inc. transcripts; Certificate of Service 12-8-15.pdf

As you can see from the attached messages, the Court Reporter filed the administrative transcript yesterday with the Supreme Court, and copied me on the filing.

As you can also see, the reporter filed PDF versions in addition to Word format versions, but the state's e-mail system stripped the two PDF versions out of the copy I received, and also did so when the reporter tried to send them to me a second time.

This e-mail is intended to constitute service on the parties under Rule 25 of the North Dakota Rules of Civil Procedure.

This e-mail is also intended to effect filing the Certificate of Service with the Supreme Court by e-mail.

No paper copies will be filed or served, unless I learn that this filing and service is in some way deficient.
