March 18, 2014

Mr. Troy Leingang
Environmental Manager
Coteau Properties Company
204 County Rd. 15
Beulah, ND 58523

Dear Mr. Leingang:

The Reclamation Division has completed its review of Renewal No. 2 and Revision No. 16 to Permit NACT-0201 and is preparing to recommend Commission approval of both at the April 9, 2014 Commission meeting. The Coteau Properties Company must update the ownership and control (business entity compliance information listed in the North American Coal Corporation's Consolidated Legal Information Report dated effective March 10, 2014, or provide a statement that the current information is still valid. Any updated information will be subject to a query on OSM's Application Violator System before approval of the renewal and revision applications. This information should be updated the first week of April and filed by April 7th, 2014.

Please provide us four final copies of DVD's incorporating the changes made with Revision 16 so that we can send copies to other agencies upon approval. Prior to creating these final copies, please fix the hyperlink to Section 1.5.3 that did not work in the March 11th submittal. If available, please also include a current Certificate of Liability Insurance, Section 1.2.6 of the Permit that includes the insurance rider stating that the PSC will be notified in the event of policy cancellation.

If you have any questions, please contact this office.

Sincerely,

James R. Deutsch
Director
Reclamation Division
