Dear Ms. Martin:

We received your request, dated August 15, 2013, for a metrology recertification extension due to scheduling with the Minnesota Lab.

Under North Dakota Administrative Code Section 69-10-03-02, the Commission may extend the twelve-month recertification interval to fifteen months.

Based on your request, I am extending the recertification interval from 12 months to 15 months; therefore, the 2013 recertification for your standards is extended from August 21, 2013 to November 21, 2013.

Sincerely,

Patrick Fahn, Director

Attention Shelly Bauske,

Our calibration certificates
will expire on August 20.

The State of Minnesota has
our calibration appointment set
for October 8. Could we
get an extension for our
recertification, please?

Thank you,
Jackie Martin
