Good Afternoon Phil

We received your request, dated July 15, <sup>2013</sup>~~2103~~, for a metrology recertification extension due to scheduling with the Minnesota metrology lab.

Under North Dakota Administrative Code Section 69-10-03-02, the Commission may extend the twelve-month recertification interval to fifteen months.

Based on your request, I am extending the recertification for your standards from August 16, 2013 to September 20, 2013.
