

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF NORTH DAKOTA

In the Matter of the Application of
Montana-Dakota Utilities Co.,
a Division of MDU Resources Group, Inc.

Case No. _____

APPEARANCE BY CUSTOMER

NDDC, LLC

hereinafter referred to as "Customer", hereby makes a voluntary appearance in this matter and states the following to the Commission:

I.

That he (it) desires electric service from Montana-Dakota Utilities Co. as a public utility subject to the jurisdiction of, and regulation by, this Commission, and has requested said public utility to provide him (it) with immediate electric service at the point located as stated in the Application herein.

That customer further states that he (it) is in need of and has demanded immediate service at said location for the reasons set forth in the Application herein. Customer waives notice of opportunity for hearing and notice of hearing upon said Application, or a hearing thereon, and requests the Commission to issue an Order and Certificate of Public Convenience and Necessity authorizing this requested and needed service, and that provisions be made therein authorizing extension of immediate service.

II.

That all the allegations of the Application herein are true and correct.

WHEREFORE, the undersigned, being the Customer involved herein, requests the entry of an Order and Certificate of Public Convenience and Necessity by the Commission, authorizing the Applicant to immediately extend the requested and needed service to Customer at said location, subject to such appropriate and proper conditions to be appended to and made a part of such Temporary Order and Certificate as the Commission may determine, said Temporary Order and Certificate to become final as may be set forth in the conditions appended thereto; and for such other and further relief as may be proper in the premises.

Extension must be made from most economical point of service.

Comments:
 MDU has existing overhead lines along 4th St. SW running parallel to the subject property. It appears that McKenzie Electric may have underground facilities to the north of our line. In addition to the overhead line to the east.

Temporary service is needed as soon as possible so that construction can continue through the winter. As of this writing, although we are not positive, McKenzie Electric will likely protest.
