### NOTICE OF APPLICATION FOR REVISION TO A SURFACE COAL MINE PERMIT

Please take notice that Dakota Westmoreland Corporation, PO Box 39, Beulah, North Dakota 58523, has made application to the North Dakota Public Service Commission for Revision No. 29 to surface coal mining permit KRSB-8802. Revision No. 29 changes the postmine land use for a 30-acre parcel of reclaimed cropland/hayland from agricultural to industrial in the SE¼ of Section 11 and the NE¼ of Section 14, T.143N., R.88W., Mercer County, North Dakota. This postmine land use change will facilitate the addition of a transload multi-use facility to be located in portions of Sections 10, 11 and 14, T.143N., R.88W., Mercer County, North Dakota. The purpose of Revision 29 is to modify the existing facilities area. Construction of the transload multi-use facility will require removing nearly half a million cubic yards of overburden to Section 19, T.143N., R.87W., Oliver County and Section 24, T.143N., R.88W., Mercer County for the final pit reclamation of the Charlie Pit. This will add one year to the current reclamation timeline approved in Permit KRSB-8802 and extend the reclamation completion date for that pit area until 2016. KRSB-8802 is located in Sections 10, 11, 12, 13, 14, 15 and 24, Township 143 North, Range 88 West, Mercer County, ND and Sections 7, 8, 17, 18, 19 and 20, Township 143 North, Range 87 West, Oliver County, ND. This area is contained on the United States geological survey map named Medicine Butte, N.E., North Dakota. The precise location and boundaries of the land affected by this revision and the transload multi-use facility rail loop are depicted on the accompanying map.

This application is on file in the Office of the Director, Reclamation Division, Public Service Commission, 600 East Boulevard Avenue, Dept. 408, Bismarck, North Dakota 58505-0480 and the Office of the County Auditor, Mercer County, Stanton, ND and Oliver County, Center, ND. It may be viewed at these locations during normal working hours.

Written comments, objections, or requests for an informal conference on the revision application may be submitted by any person with an interest which is or may be adversely affected to the North Dakota Public Service Commission within 30 days of the last publication of this notice. Any request for an informal conference must include the reasons for the request. The legal description and names of the apparent surface and mineral owners of the land affected by the revision are as follows:
