**Re: Revision to 2014 ETC Form 481 Annual Report of North Central RSA 2 of North Dakota LP
Case No. PU-14-082**

Dear Secretary:

On June 30, 2014, I filed with the Commission the Form 481 2014 annual ETC report ("Form 481") of North Central RSA 2 of North Dakota LP (the "Company"), as previously filed with the Universal Service Administrative Company ("USAC") and the Federal Communications Commission ("FCC"). At the same time, I filed with the Commission the Company's Application to Protect Trade Secret and Confidential Information submitted with the Form 481. The Commission docketed these filings in Case No. PU-14-082.

One page of the Company's 2014 Form 481 Report – titled "Form 200, Service Outage Reporting (voice)" – contained erroneous information. Enclosed for filing in Case No. PU-14-082 is an original and one copy of a corrected Form 200. The Form 200 is one of the parts of the Company's Form 481 that is considered to be trade secret/confidential under N.D. Cent. Code 44-04-18.4 and N.D. Admin. Code § 69-02-09-01 *et seq.* Please file the enclosed corrected Form 200 confidentially, consistent with the Company's Application to Protect Trade Secret and Confidential Information.

Also enclosed is an original and one copy of an updated Certification page for the Form 481, showing that the Company resubmitted and re-certified the Form 481 (including the corrected Form 200) to USAC as of July 28, 2014. This Certification page can be filed non-confidentially in Case No. PU-14-082.

Please contact me if there are any questions about this filing.

Sincerely,

Andrew M. Carlson
