Re: Sunflower Wind Project - Kick-Off Call Number 2 (Owner and Contractor change)

Dear Mr. Lein,

Per the requirements set forth in the ND-03 Sunflower PSC 2014-06-25 Cert Site Compatibility attachment, Sunflower PSC 2014-05-09 Certification of Provisions, item number 2; a preconstruction conference call was held at 2:00PM on Wednesday September 22, 2015.

Enclosed are the meeting minutes from the Sunflower Wind / PSC kick-off meeting. If you have any questions please email aron.anderson@unedison.com or call 612-599-4251.

Sincerely,

Aron Anderson

Sunflower Wind Project Kickoff Call with the PSC

Date: September 22, 2015

Time: 2:00-3:00 PM CST

Attendees:

Jerry Lein – ND PSC

Todd Hartleben – Carlson McCain (PSC 3rd Party Inspector)

Aron Anderson - Sr. Project Manager – SunEdison (Project Owner)

Ryan Januzewski – Sr. Project Manager – Mortenson Construction (Contractor)

Meeting Notes:

1. Jerry Lein led the call and explained the reasoning for the PSC requiring the kickoff call. It was also explained that a kickoff call was held for the Sunflower Wind Project in December of 2013 between the PSC, Infinity and Blattner for PTC qualifying work. Being that the Sunflower Wind Project has experienced a change in ownership as well as contractor it was advised to complete a second kickoff call with the responsible parties.
2. Jerry explained the executed exhibits between Sunflower Wind Project, LLC. and the PSC as follows:
 - a. ND-03_Sunflower_PSC_2014-05-19_Certification of Provisions
 - b. ND-03_Sunflower_PSC_2014-06-25_Cert Site Compatibility
 - c. ND-03_Sunflower_PSC_2015-01-07_Supp Order_V-100 approval
3. Jerry explained the filing requirements for providing documents to include:
 - a. Emails to Jerry Lein and Darrell Nitschke
 - b. Email files to ndpsc.gov
 - c. Provide hardcopies as outlined in the agreement.
4. Jerry explained one by one the conditions and responsibilities of Sunflower Wind Project, LLC. as defined in the Sunflower PSC 2014-05-09 Certification of Provisions. An abbreviated review is below:
 - a. Follow all written orders
 - b. Discuss penalties for not following orders
 - c. Sent notice of intent to resume construction
 - d. Obtain all necessary permits
 - e. Call before you dig
 - f. Stop work if cultural resources are found
 - g. Discuss underground collection boring
 - h. Discuss decommissioning plan
 - i. As-built drawings; follow PSC guidelines
 - j. Send construction updates weekly to PSC and 3rd Party Inspector.
5. Further discussed PSC documents to be filed before during and after construction and again touched on penalties for not following PSC provisions. Discussed third party inspector involvement

Meeting adjourned at 3:00PM CST

Re: Sunflower Wind Project – Notice of Intent to Resume Construction

Dear Mr. Lein,

Per the requirements set forth in the ND-03 Sunflower PSC 2014-06-25 Cert Site Compatibility. Sunflower Wind Project, LLC. contacted PSC 3rd Party inspector Todd Hartleben from Carlson McCain via email and phone on September 17, 2015, per the requirements set forth in the Sunflower PSC 2014-05-09 Certification of Provisions item number 5, to inform him that construction work was planned to resume on the Sunflower Wind Project on or about September 28, 2015. This letter is written to document the conversation and reference the intent of the contact was to fulfill the above referenced provision. Please accept this letter as fillable documentation of the referenced conversation.

Below please find the attached reference email. If you have any questions please email aron.anderson@unedison.com or call 612-599-4251.

Sincerely,

Aron Anderson

Todd,

Thanks for the call back. The Sunflower Wind Project is securing final permits this week and plan to construct our site office laydown yard next week and begin road construction on the 28th. We are finalizing a few items on the master schedule and will send along when complete. Do you have any hold points or document requests you can share with me and I will get them into the schedule?

Thank You,

Aron Anderson
