Jerry,

Per Order Provision 32 of the Sunflower Certificate of Site Compatibility see attached complaint record form used at the Sunflower Wind Project. We have an open door policy at the project site and all landowners have been invited to the site to meet our team and know where to find us within the office complex. If a complaint is provided we use the attached form for tracking purposes and address each complaint on a case by case basis with the appropriate supervising party. We then get in touch with the complainant and discuss corrective options. We aim to settle any complaints within a 48 hour period. Please let me know if you have any questions.

Thank You,

Aron Anderson
