Re: Sunflower Wind Project – Annual Certificate of Operation – Case No. PU-14-105

To Whom It May Concern:

In accordance with North Dakota Administrative Code Chapter 69-09-09-03 Wind Facility Decommissioning – Abandonment and Useful Life, Sunflower Wind Project, LLC (“Sunflower”) which owns the 104 MW name plate capacity Sunflower wind farm located in Stark and Morton Counties, hereby certifies as owner that the Sunflower wind farm was fully operational in 2022, and there were no non-generating turbines for that period.

The Sunflower wind farm had a 50.36% annual capacity factor and a net power output of 458,839 MWh for year 2022. Appendix A shows the monthly power output for the year.

Should you have any questions or need additional information, please do not hesitate to contact Stacey Fitts at 631-552-5907 or Stacey.fitts@onwardenergy.com.

Sincerely,

SUNFLOWER WIND PROJECT, LLC, a
Delaware limited liability company
