Subject: Belle Fourche Oil Pipeline (PU-14-135) field notes
Attachments: Field_Notes_6-09-15_VISIT_2.pdf

Please find the attached field notes from the 6/8/2015 site visit to the **Belle Fourche Pipeline (PU-14-135)** project. We will follow up with a report in the next couple of weeks.

Thanks,

Emmy Baskerville

Work in Progress

| | |
|-------------|---|
| 1210 | Arrive on site @ west end. Met Don Clark Belle Fouche Bridger. Begin tour of pipe line |
| 1335 | Finished tour @ Dickinson Station. Majority of alignment has revegetated or been put back into agricultural production. No incidents of notable erosion was observed. The few patches where vegetation has not yet re-established will be monitored and re-seeded, if necessary according to Don. |
