On April 4, 2014, Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc. (MDU) and McKenzie Electric Cooperative, Inc. (McKenzie Electric) filed a joint application for approval of a Service Area Agreement to establish service areas and designate service locations to be served by MDU and McKenzie Electric within and around the City of Watford City, North Dakota. MDU further requests issuance of a certificate of public convenience and necessity authorizing it to extend service to locations within the MDU service area set forth in the agreement.

Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by May 30, 2014.** If deemed appropriate, the Commission can determine the matter without a hearing.

An **informal hearing** of this matter is scheduled to begin on **May 6, 2014, at 1:30 p.m. CDT** in the Commission Hearing Room on the 12th floor of the State Capitol. At the informal hearing, the Commission will discuss this matter with the parties and interested members of the public.
