**Project: ONEOK Rockies Midstream, L.L.C.
Lonesome Creek Gas Plant – McKenzie County
Case No.: PU-14-218**

The Commission's July 10, 2014, Findings of Fact, Conclusions of Law and Order issued Certificate of Site Compatibility No. 40 to ONEOK Rockies Midstream, L.L.C. (ONEOK) for the Project.

As-built GIS data

The Certification to Order Provisions paragraph 31 (Certification) attached to and made part of the July 10, 2014, Order required that the Company provide an electronic version of the site approved by the Commission and the facility design specifications for the construction of the energy conversion facility showing the location of the energy conversion facility as built that can be imported into ESRI GIS mapping software within 3 months of completion of the construction.

Commission Staff requests these mapping documents and data be filed with the Public Service Commission by January 29, 2022.

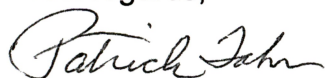

Reclamation and Revegetation

On November 27, 2019, the Commission's third-party inspector filed with the Commission a Permit Compliance – Addendum to the Final Inspection Report regarding the Project. The Report may be viewed at <https://psc.nd.gov/database/documents/14-0218/107-010.pdf>.

Section 1.4 of the Report indicates that, at the time of the inspection, the reclamation / restoration activities were not complete, and erosion and seeding issues were still remaining.

Commission Staff asks that, by January 29, 2022, ONEOK respond in writing to the Commission stating the status of the reclamation / restoration activities for the Project, and describing any actions that have and will be taken to resolve the concerns noted in the Report.
