In re: Meadowlark Midstream Company, LLC
Divide Lateral Pipeline Project
Case No.: PU-14-223
Our File No.: 88-393-002

Dear Mr. Nitschke:

Meadowlark Midstream Company, LLC respectfully requests to supplement its application dated April 29, 2014 in the captioned matter.

In the application Meadowlark indicated that the anticipated cost of developing the proposed facility was approximately \$3.5 million. The proposed facility is an existing gathering pipeline which Meadowlark proposes to convert to a transmission facility. The estimated cost of the existing gathering pipeline was approximately \$17.635 million. On that basis, Meadowlark estimates that its total investment in the proposed facility will be approximately \$21.135 million.

Very truly yours,
