Chris, per our conversation earlier MDU is filing temporary authority to serve the Mallard well 5692-31-22. This is the well where you would have had to cross the railroad tracks and decided it made sense for MDU to serve it. Please reply to all so we can process this form. This well is located east of Ross a mile and a half.

Thanks

Bruce,

I need you to contact Ken Callahan with MDU and discuss the paperwork and location information needed for service to the well sites shown below. Please contact Mr. Callahan as soon as possible, his information is shown below.

David,

Need to get with you or an MDU rep on the well sites just north of Ross, ND for power. We have plans for four multi-well pads in MDU's service territory and they are as follows:

Oasis Meiers 5692 44-18	2 well pad	Total Installed HP 130	Power needed 2/20/2014
Mallard 5692 21-20 PAD	5 well pad	Total Installed HP 300	Power needed 3/30/2014
Mallard 5692 31-22 Pad	6 well pad	Total Installed HP 500	Power needed 6/15/2014
Oasis Meiers 5692 43-18 Pad	5 well pad	Total Installed HP 200	Power needed 6/15/2014

Email to cooperative re: temporary authority permit

I will be calling these in today but the Mallard 21-20 has already been requested. Let me know when you would be able to meet.

Thank you,

Bruce Beiswanger
