**RE: Grain Buyer Bond  
Travelers Casualty and Surety Company of America  
Bond No. 104911234**

Dear Mr. Knudson:

Your facility-based grain buyer license renewal shows your actual volume purchases in North Dakota from April 1, 2013 through March 31, 2014, were 794,258 bushels. The three year rolling average of annual grain purchases in North Dakota for your firm is 550,376 bushels. The required bond for this volume for the August 1, 2014 – July 31, 2015 license period is \$150,000. Currently, we have a \$130,000 bond on file.

Please contact your bond company, have them execute a rider to increase the bond to **\$150,000**, add the Cummings location, and forward the rider to our office at your earliest convenience. This rider must be received before a license can be issued for the Cummings location.

Thank you for your assistance. If you have any questions, please call me at 701-328-4070.

Sincerely,

Shelly A. Bauske  
Licensing Division
