RE: CC Docket No. 96-45/WC Docket No. 14-58, Annual State Certification of Support for Eligible Telecommunications Carriers Pursuant to 47 C.F.R. § 54.314

On September 24, 2014, pursuant to the requirements of 47 C.F.R. § 54.314, the North Dakota Public Service Commission (NDPSC) certified to the Federal Communications Commission and the Universal Service Administrative Company that the telecommunications carriers included in the attached table listing of carriers accounted to the North Dakota Public Service Commission by affidavit that all federal support they receive will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 254 (e) of the Communications Act of 1934, as amended. These companies are eligible to receive federal high-cost support.

The NDPSC has been notified that the table contained errors regarding the SAC numbers; therefore, the table has been revised and is attached.

Sincerely,

Patrick Fahn
