**September 19, 2014**

On July 18, 2014, Targa Badlands LLC (Targa) filed an application for a certificate of corridor compatibility and an application for a route permit concerning a 31.7-mile, 8-inch crude oil pipeline and associated facilities in Mountrail County, North Dakota, as shown on the attached map.

Also on July 18, 2014, Targa filed an application for waivers of procedures and time schedules established under North Dakota Century Code sections 49-22-07.2, 49-22-08, 49-22-08.1, 49-22-13, and North Dakota Administrative Code section 69-06-01-02, requiring separate filings, separate notices, and separate hearings on such applications.

The Commission finds the applications are complete.

A public hearing on the applications is scheduled for **December 11, 2014**, at **9:00 a.m. CST, Stanley City Hall, 208 South Main Street, Stanley, North Dakota, 58784**.

1. Will the location and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?

2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
