**RE: Targa Badlands LLC —
Case Number PU-14-625**

Dear Mr. Nitschke:

At the public hearing in the above-referenced matter, the North Dakota Public Service Commission (“Commission”) requested additional information regarding Targa Badland LLC’s siting application in the form of several late-filed exhibits. To that end, please find enclosed for filing an original and ten (10) copies of the following documents:

1. Errata sheets for pages 17, 18, and 19 of Targa Badlands LLC’s Combined Application for a Certificate of Corridor Compatibility and Route Permit correcting information contained therein;
2. New Town to Stanley Pipeline “As-Built” Drawings to supplement the Survey Data Report presented as Exhibit 2 at the Commission hearing;
3. Pipeline Construction Specifications of Saddle Butte Pipeline LLC setting forth the construction procedures utilized by Saddle Butte during construction.

Please note that the Certification Relating to Order Provisions – Transmission Facility Siting will be submitted as an additional late filed exhibit as soon as possible. If you have any questions, please advise.

Sincerely,

LAWRENCE BENDER
