To whom it may concern:

I am writing in response to Case No. PU-14-664 that states my business, On Grade Excavation, had a complaint filed against us by Diane Schell. This complaint states that in late April or early May 2014 we dug a basement at 914 Marion Drive in Underwood without notifying North Dakota Once Call Notification Center before work began. I disagree with this complaint due to the fact that we only did one job in Underwood in 2014. This was a crawl space at 610 West Ridge for Justin and Amber Audolf done in July 2014. We followed code and had all notifications in place for this job.

Thank you for your attention to this matter.

Sincerely,

Ronald Guier, Owner
