**Re: In the Matter of Otter Tail Power Company's Application to Revise the Energy Adjustment Rider to Include Emissions Controls Costs  
Case No. PU-14-668  
Update Filing – Billing solution and tariff mechanism for consolidation of EPA compliance costs on customer billings  
Revised Compliance Filing**

Dear Mr. Nitschke:

Enclosed please find an original and seven (7) copies of Otter Tail Power Company's ("Otter Tail's") Compliance Filing in the above-referenced matter.

On February 25, 2015, the North Dakota Public Service Commission ("Commission") issued its Motion approving Otter Tail's request to revise Tariff Section 13.08 to include emission controls costs in Case No. PU-14-668. On March 25, 2015, Otter Tail submitted its Compliance Filing which reflected the Commission-approved revisions. The Section 13.08 Tariff Sheet included in that Compliance filing included an error in the last sentence of the "Environmental Cost Recovery Charge" section on page one, as well as in the last sentence of Page three. The Commission-approved line label for the Environmental Cost Recovery Rider is "Costs for compliance with Federal EPA rules" rather than the "EPA Req Environmental Cst" which was part of the original Compliance filing. Attached to this letter is a Non-redline version of pages one, two, and three with the appropriate line label. No other changes were made.

An electronic copy of this filing is also being sent to you at [dnitschk@nd.gov](mailto:dnitschk@nd.gov) and to the North Dakota Public Service Commission at [ndpsc@nd.gov](mailto:ndpsc@nd.gov).

If you have any questions regarding this filing, please contact me at 218-739-8595 or [dprazak@otpco.com](mailto:dprazak@otpco.com).

Sincerely,
