Mr. Gipson –

We are in receipt of a letter from you (please see attached) requesting us to update the contact information for Boomerang Wireless, LLC d/b/a enTouch Wireless. Per procedure, we must request that a representative of Boomerang Wireless, LLC d/b/a enTouch Wireless access their online registration to make any modifications to their account. They would have created a user ID and password when they originally signed up to be a telecommunications carrier for North Dakota. If they have misplaced their account information, they can simply go to our website at:

<https://secure.apps.nd.gov/psc/telecomreg/login.aspx>

Then click on “Forgot Login” or “Forgot Password”. By following the simple instructions they can easily submit a change to their contact information or any other part of their profile. If they have difficulty in accessing our website, they can call 701.328.2400 and ask for our service desk technician.

Thank you for your cooperation in this matter -

Kathy Acker
