Re: Damage Prevention Enforcement, Case No. PU-14-672

On August 5, 2014, the Commission received a North Dakota One-Call Complaint form from Ryan Schmaltz, Director of Education and Public Relations at North Dakota One Call, Inc. (NDOCI). The complaint indicated a violation by Northern Excavating Co., Inc. (Northern) of Jamestown, North Dakota, of North Dakota Century Code chapter 49-23: One-Call Excavation Notice System. In its Complaint, NDOCI stated that it provided utility locate services for Northern between 2009 and 2012 for which it had not been compensated by Northern in the amount of \$292.20.

On October 20, 2014, Commission staff was notified by One Call Concepts, Inc., of Hanover, Maryland, that Northern had paid NDOCI the balance owed of \$292.20.

Staff recommends that no further action be taken and the case be closed.
