**RE: Supplemental Filing, Case No. PU-14-678, Antelope Hills, LLC Application for Site Certificate**

Dear Mr. Nitschke,

Please find the attached Noise and Shadow Flicker analyses; these are part of Appendix A to the Antelope Hills Application for Site Certificate which you received last week. In addition to the two technical memos, I've included replacements for two pages (66 and 73), and 5 figures (12A, 12B, 13A, 13B and 13C) from the application itself to bring them up to date.

I've attached 12 copies of each, to go with the 12 copies of the application you received.

Best regards,

*Dale W Bennett*
