In re: SunEdison Utility Holdings, Inc.
Antelope Hills Wind Project, LLC
Amended Site Certificate Application
Mercer County, North Dakota
Case No. PU-14-679

Dear Mr. Nitschke:

Please find enclosed the original and ten copies of Antelope Hills Wind Project, LLC's ("Antelope Hills") Notice of Withdrawal. Antelope Hills is submitting this letter to provide more information about its withdrawal of its application for an amended site certificate.

Additional engineering has presented challenges that have forced Antelope Hills to further refine the project's layout. The additional engineering has revealed subsurface conditions that require unanticipated planning and may require changes to the turbine layout.

In light of these conditions, Antelope Hills has decided to withdraw its application for an amended site certification in order to allow its engineering teams to work together to come up with the best plan for moving forward.

SunEdison intends to continue to pursue this project and will re-engage the Commission once the aforementioned engineering issues have been addressed.

Please call me should you have any questions.

Very truly yours,

A handwritten signature in blue ink, consisting of a stylized 'P' and 'S' with a horizontal line through the middle.

Peter J. Sullivan
Vice President, Project Development

Antelope Hills Wind Project, LLC
Amended Site Certificate Application
Mercer County, North Dakota

Case No. PU-15-679

Notice of Withdrawal

Pursuant to North Dakota Administrative Code Section 69-02-02-07(2), as no hearing has been held or convened on the Amendment Application, Antelope Hills Wind Project, LLC (“Antelope Hills”) respectfully submits this Notice of Withdrawal.

The purpose of this Notice of Withdrawal is to only withdraw the Amendment Application, not the original application under which the Commission has issued Certificate of Site Compatibility No. 41.

Antelope Hills is withdrawing its Amendment Application for the reasons stated in the letter filed herewith.

Dated this 1st day of September, 2015.

Respectfully submitted,

ANTELOPE HILLS WIND PROJECT, LLC
