April 4<sup>th</sup>, 2016 correspondence

Dear Ms. Prescott:

We are in receipt of your correspondence dated April 4, 2016. Unfortunately we did not receive this correspondence in our office until June 7, 2016. I have reviewed the final construction report as well as the commission order. Following the construction report substantial efforts were made to come into compliance. I have personally inspected the right-of-way in question. That inspection shows substantial improvement in the revegetation. I have included some more current photographs of the existing right-of-way for your review. We understand our ongoing obligations and will continue to monitor the revegetation.

Please let me know if you have any additional comments or concerns.

Sincerely,

Jeffrey L. Skaare, J.D., R.P.L.
