Subject: RE: Temporary Authority Permit

Patrick,

After review of the attached request from Otter Tail Power for Temporary Authority, Dakota Valley does not intend to protest this application. The application is still intended to be presented at the next Dakota Valley Board meeting on Sept. 26th, but we do not expect any change of direction from the board members.

Thank you,

Attached is a request from Otter Tail Power Co. for Temporary Authority to extend electric service to Geri Coyne at a location in Sargent County, North Dakota.

Please review this request as soon as possible and let me know whether the Cooperative will protest the application.

Thank you for your attention to this matter.
