Re: Single phase electric service to Inter-Community Telephone for rural fiber-optic booster site
Case No. PU-14-694

Dear Ms. Jeffcoat-Sacco,

Cass County Electric will not object to the granting of a Certificate of Public Convenience and Necessity to Ottertail Power Company (OTP) in the above mentioned case, provided the service is for this specific rural service located in the NE ¼ of the NE ¼ of Section 35, Twp 141N, R 60W of Barnes County, North Dakota.

Per Ottertail Power's temporary authority filing on August 29, 2014 by Mr. Charles Krebs, Cass County Electric and Ottertail Power Company have reached a tentative agreement for electric service areas in this section of land.

Cass County Electric reserves the right to object to any extension beyond the specific service requested.

Sincerely yours,

Bradley J. Schmidt PE
Sr. VP Trans. & Distr. Services
